

ROOM HIRE

South West Victorian SEAL offers its classrooms to the public for hire. We have standard classrooms, computer rooms and a kitchen. Our rooms can come equipped with notebooks, data projectors, screens, TVs and video players; depending on your needs. All room bookings are also given access to our tea room.

The range of facilities and free off-street parking makes us an exceptional option for anyone; from small community groups to larger meetings.

SEAL is also an ideal location for off campus examinations as we have qualified staff to supervise/invigilate the exam.

For more information on the rooms for hire at SEAL; and the facilities we provide, please contact our office using the details below; or come and see us at the Warrnambool Office.
