

FRENCH FOR BEGINNERS

Bonjour tout le monde!

This is a language course for beginners. Learn basic conversational French useful for everyday situations, as well as travelling. You will learn to participate in a basic conversation in French, to order food in a restaurant and to find your way around.

Did you know that learning a second language has many cognitive benefits?

- Brainpower boost -: learning another language trains your brain to deal with new levels of complexity and absorb new patterns
- Improved memory -: using your brain to learn a new language can improve your memory – it's a workout for your brain.
- It helps with multi-tasking -: if you can jump from one language to another, chances are you can type ,talk on the phone and eat your lunch at the same time
- It could delay dementia -: a range of studies confirm that people that are bilingual developed dementia later than people that only speak one language
- Improves your first language -: yes that's right, learning a second language can actually improve your native tongue!
