

SEAL SEWING GROUP

Do you have unfinished projects piling up in the cupboard? Got so far but got stuck with the instructions? Just wish you had more time to get that sewing done? Come along with your sewing machine and project, meet like-minded people and assist each other to learn new tips and techniques in a casual fun environment. Members need to bring their own projects to the sessions and must have basic sewing skills.

Kay Porter is a volunteer who has a passion for sewing. As a previous business owner who developed and made costumes for her business, she has a wealth of skills and knowledge to share.
